Fundraise for Walk to End Lupus Now® with Facebook Fundraiser

What is the Walk to End Lupus Now® Facebook Fundraiser?

When you register for a Walk to End Lupus Now® event, the fundraising platform, TeamRaiser, allows participants to create a ‘Facebook Fundraiser’ so you can receive donations on Facebook. Fundraising on Facebook gives you the ability to share your cause with your friends and family and gain their support.

What if I’ve already received donations through my TeamRaiser profile?

Donations already given via your TeamRaiser will automatically sync to your Facebook Fundraiser once the connection between TeamRaiser and Facebook is complete, so that both monetary thermometers match.

How do I set up my Facebook Fundraiser?

1. Find a walk and register. (If you’re already registered, navigate to your selected walk home site)
2. Log into the Participant Fundraising Center in the top right-hand corner.
3. Click Fundraise on Facebook.

4. Click **Create Fundraiser**.

5. Once the Facebook login page opens, **enter your login information** and the new Facebook Fundraiser will be created.

6. The Participant Fundraising Center now contains a link to the newly created Facebook Fundraiser. The title and story for the Facebook Fundraiser are automatically created using the Personal Page information. **If a goal was not defined for the fundraiser, the default goal is set to $150.00.**

7. Copy/paste the Facebook Fundraiser link in an email to send to friends and family or, click **Go to Facebook Fundraiser** to open the fundraiser in Facebook in a separate tab.

**What if I've already created Facebook Fundraiser for my team outside of TeamRaiser?**

*If you already have a Facebook Fundraiser set up for your walk, if you decide to connect to your TeamRaiser profile, a new Facebook Fundraiser will be created, separate from your original fundraiser.*

**Will donations received on Facebook appear on TeamRaiser?**

*Yes! All Facebook donations, along with the donor’s name will be reflected in your personal Participant Center.*

**Will donors receive a tax receipt if they donate through Facebook?**

*The donation towards your Walk team are from the Lupus Foundation of America but your donor’s emailed receipt will come from Facebook.*

**I no longer want my Walk fundraiser on Facebook.**

To delete your fundraiser, log into Facebook and navigate to your fundraiser. Below the blue ‘**Invite**’ button, click ‘**More**’. Select ‘**Delete Fundraiser**’ from the drop down menu.
